

Bajaj Auto

HOLD

Decent show; downgrade to HOLD

Summary

Bajaj Auto (BJAUT) Q2FY20 result was below our and above consensus estimates at operating level. EBITDA margin for the quarter stood at 16.6% vs our and consensus estimates of 17.2% and 15.7%. We cut our FY20/FY21 volume estimates by 4%/5% respectively, factoring the current slowdown. We expect two-wheeler industry volumes to be weak over the next 12 months, as cost increases (BSIV to BSVI transition) would hurt 2W industry demand. We cut our revenue and earnings estimates for FY20/FY21 by 3%/8% and 7%/12% respectively on account of lower volumes and higher promotion expenses. We have built in revenue/earnings CAGR of 5%/7% over FY19-21E with ROE of ~20% and average free cash flow of ~Rs45bn. We downgrade to HOLD (earlier ACCUMULATE) with new TP of Rs3,000 (earlier Rs3,180) based on PER of 17x FY21E earnings.

Result Highlights and Investment Rationale

- Operationally stable quarter:** : Revenue declined by -4% YoY/-1% QoQ to Rs77bn, due to de-growth of -12% YoY/-6% QoQ in sales volumes to 1.1mn units. Net realizations increased 5.6% QoQ due to price hikes during the quarter and currency gain on exports. Gross margins increased to 29.5% (+150 bps YoY/+120 bps QoQ) due to favorable product mix, price hikes and lower material cost. EBITDA margin for the quarter stood at 16.6% (-70 bps YoY/+120 bps QoQ). Other expenses increased 19% YoY/ 3% QoQ to Rs6.5bn due to new launches. Other income for the quarter increased +27% YoY/-11% QoQ to Rs3.9bn. Overall, adjusted PAT stood at Rs14Bn (+24% YoY /+25% QoQ), mainly on account lower tax outgo.
- Concall Key takeaways:** 1) **BS VI transition:** started infusing BSVI inventory to dealers from October onwards 2) The management expects **commodity costs** to remain benign in Q3 and expect some benefit in steel and some headwinds in non-ferrous metals. Expects commodity headwind to start from 4QFY20. 3) **New launches:** Expect launch of Husqvarna, higher end KTM, new variants in Pulsar and Dominar post BSVI transition. 4) Management believes, post introduction of ABS, there is some tailwinds for bikes below 150cc segment due to pricing factor.

Disclaimer

This report has been published by IDBI Capital Markets & Securities Ltd. (hereinafter referred to as “IDBI Capital”) for private circulation. This report should not be reproduced or copied or made available to others. No person associated with IDBI Capital is obligated to call or initiate contact with you for the purposes of elaborating or following up on the information contained in this report. The information contained herein is strictly confidential and meant for solely for the selected recipient and may not be altered in any way, transmitted to copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without the prior written consent of IDBI Capital.

Recipients may not receive this report at the same time as other recipients. IDBI Capital will not treat recipients as customers by virtue of their receiving this report.

The information contained herein is from the public domain or sources believed to be reliable, but we do not make any representation or warranty that it is accurate, complete or up-to-date and it should not be relied upon as such. While reasonable care has been taken to ensure that information given is at the time believed to be fair and correct and opinions based thereupon are reasonable, due to the very nature of research it cannot be warranted or represented that it is accurate or complete and it should not be relied upon as such. In so far as this report includes current or historical information, it is believed to be reliable, although its accuracy and completeness cannot be guaranteed.

Opinions expressed are current opinions as of the date appearing on this material only. While we endeavor to update on a reasonable basis, the information discussed in this material, IDBI Capital, its directors, employees are under no obligation to update or keep the information current. Further there may be regulatory, compliance, or other reasons that prevent us from doing so.

Prospective investors and others are cautioned that any forward-looking statements are not predictions and may be subject to change without notice.

IDBI Capital, its directors and employees and any person connected with it, will not in any way be responsible for the contents of this report or for any losses, costs, expenses, charges, including notional losses/lost opportunities incurred by a recipient as a result of acting or non-acting on any information/material contained in the report.

This is not an offer to sell or a solicitation to buy any securities or an attempt to influence the opinion or behavior of investors or recipients or provide any investment/tax advice.

This report is for information only and has not been prepared based on specific investment objectives. The securities discussed in this report may not be suitable for all investors. Investors must make their own investment decision based on their own investment objectives, goals and financial position and based on their own analysis.

Trading in stocks, stock derivatives, and other securities is inherently risky and the recipient agrees to assume complete and full responsibility for the outcomes of all trading decisions that the recipient makes, including but not limited to loss of capital.

Opinions, projections and estimates in this report solely constitute the current judgment of the author of this report as of the date of this report and do not in any way reflect the views of IDBI Capital, its directors, officers, or employees.

This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject IDBI Capital and associates to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this report may come are required to inform themselves of and to observe such restriction.

E-mail is not a secure method of communication. IDBI Capital cannot accept responsibility for the accuracy or completeness of any e-mail message or any attachment(s).

This transmission could contain viruses, be corrupted, destroyed, incomplete, intercepted, lost or arrived late. IDBI Capital, its directors or employees or associates accept no liability for any damage caused, directly or indirectly, by this email.
